

## PASTOR OF THE CHINESE MINISTRY

### Evangelical Chinese Church of South King County (ECC of SKC)

#### Our Prayerful Need

We initiate our search for a Pastor for our Chinese speaking congregation. He will be serving with our Pastor of English Ministry together in one united church body. Located in the Renton Highlands area, we are uniquely situated to serve families and individuals in Renton, Kent, southern Bellevue, and other parts of South King County. Over the past quarter-century, ECC-SKC thrive to be a healthy church with evangelism as our core value. We are an elders-rule church. Our current five primary area of needs are:

- **Preaching and Worship:** As the Chinese congregation pastor, he needs to preach God's word by seeking God's will for His people. Oversee weekly worship service and set guideline as needed.
- **Teaching and Discipleship:** Oversee and plan out teachings in Sunday school, small groups and fellowships. Instruct and encourage participants to follow God's commandments and live a life model after Jesus Christ as His disciple. Organize and promote regular church prayer meeting.
- **Ministry Vision and Strategy:** Work with various ministry leaders to develop vision and strategic planning to further His kingdom. Provide spiritual direction, leadership and guidance. Cultivate future ministers by shepherding and mentoring them.
- **Shepherding and Pastoral Care:** Visit church members regularly to understand their needs and care for the sick. Provide counselling and mediate conflict in time of crisis. Equip and train core leaders in Stephen Ministry, Family Ministry and Small Group ministry to care for the church body. So church members have a healthy environment to love and trust one another.
- **Mission and Evangelism:** Nurture a church culture of "passion for the lost" at SKC. Work Mission board to organize local and overseas mission opportunity. Support "Everyday Evangelism" Ministry in sharing the gospel in the community.

### **Our Church Background**

In late 1994, ECC of SKC was planted in Renton, Washington, around 15 miles southeast of downtown Seattle by 10 families from Evangelical Chinese Church of Seattle (ECC-Seattle). Since then, the church has grown to a Mandarin speaking congregation of 130 and an English-speaking congregation (started in 2001) of 60. ECC-SKC is an evangelical non-denominational church with adults, college students (local and international), and children (infant through elementary), middle and high-school. Today, we have a full-time pastor on staff, serving deacons, and a governing elder board.
